

TRUCKEE MEADOWS  
PARKS FOUNDATION

## DOGGIE AMBASSADOR PROJECT

In an effort to reduce dog waste in our parks and trails, Truckee Meadows Parks Foundation, the City of Reno, and Truckee Meadows Storm Water Permit Coordinating Committee have teamed up to support volunteers who maintain over 30 Mutt Stations within Reno parks. With the help of our community, we significantly improve the quality of our parks and promote a healthy environment for current and future generations who recreate at our local parks.
