Want to help collect data?

Your observations will help advance science, inform local bird research, and conservation efforts

Keep track of birds you see along your walk by using eBird or iNaturalist

Here's the how to:

Observe and enter sightings online at
[iNaturalist.org](https://www.inaturalist.org) and [ebird.org](https://www.ebird.org) or with the apps!

Saw a species that isn't on this list?

Try identifying unknown birds with the Merlin Bird ID app or at [merlin.allaboutbirds.org](https://www.merlin.allaboutbirds.org)
